

# IS GOD SPEAKING?

## Discerning the voice and guidance of the Holy Spirit

### *Questions to ask:*

Does it align with or contradict scripture?

Is it led by the Spirit (weighty, authoritative, persistent)?

Is it validated by wise, godly counsel?

Is it confirmed with prayer?

Will or does it produce good fruit (love, joy, peace, patience, kindness, goodness, faithfulness, self-control, gentleness)?

Does it give self, the world, or God glory?

Does it lead to sin or godliness?
